

Date Week 5

1. Lisa asked us “what our part, as a wife, was in marriage”. If my level of trust toward you reflex my level of trust to God, how can I learn to trust God more in ways that grow our relationship as husband and wife?
2. If submission in my life to you, as my husband, means I am under our mission together, what do you, as my husband believe we are called to do for God together?
3. Have you felt there was a power struggle between you and I as husband and wife?
4. In what ways would you see me as your crown?
5. When you hear the attributes of the Proverbs 31 woman, which ones do you think are my strong points?
